A widespread international internet fraud. Like before is it possible to check the account opening details and obtain the transaction details and IP addresses as before.

Silvia,

I have had a look at the information you have provided which is excellent and will assist us greatly. However as with all of these investigations I do have some more questions for you.

1. Can I have the balance of his accounts i.e. how much does he actually have saved in the account?
2. I notice that 1 transaction in the debit history on account U0089187 dated 26/03/2011 @ 20.29 Batch 58094552 from U0089187 name Rogue was paid to account U0925915 name Rogue USD -130. Does this mean that our suspect who goes by the name of Rogue also have another account that we did not know about i.e. account U0925915 if so could I please have details from that account?
3. Are you able to run his details through to see if he has any further accounts with you?
4. I notice on your documents that this information is for intelligence purposes only however if I do need to produce it as evidence what is your procedure? Normally I would go through the government with an International Letter of request asking your law enforcement agency to obtain this information in a evidential format. That would either be sent to me as a package or I would come to Costa Rica and take the statement myself.

The alternative is does Liberty Reserve have an office in the UK? If so could I attend there and take a statement from them on behalf of Liberty Reserve?

Your assistance has been invaluable.

Regards Frank

Mr. Frank Tutty
Special Agent
Metropolitan Police Central

Dear

Mr.

Tutty:

He attached to the application for information from points one and two. With regard to item number three and ask T.I. we track the user's name and, as for your question number four I would point regarding the issue of how to get information for evidence purpose; your observation is exactly correct, this is the only way it counts in a court of law and complies with personal information policies and regulations in effect in Costa Rica.

There are two ways to do it:

1. Through a Court order once the case goes on trial
2. Through the law enforcement, or Public Ministry depending on the charges.

He echado un vistazo a la información que han proporcionado, que es excelente y nos ayudará mucho. Sin embargo, como con todas estas investigaciones que tengo más preguntas para usted.

1. ¿Puedo tener el equilibrio de sus cuentas es decir, cuánto es lo que realmente ha guardado en la cuenta?
2. Me doy cuenta de que una transacción en la historia de adeudo en la cuenta de fecha 26/03/2011 @ U0089187 20,29 Lote 58094552 de Rogue nombre U0089187 se pagó a cuenta U0925915 nombre Rogue USD -130. ¿Significa esto que nuestro sospechoso que lleva el nombre de Rogue también tiene otra cuenta que no sabía nada de la cuenta U0925915 decir si es así ¿podría por favor los detalles de esa cuenta?
3. ¿Es capaz de ejecutar sus datos a través de para ver si él tiene todas las cuentas con usted?
4. Me doy cuenta en los documentos de que esta información es sólo para propósitos de inteligencia sin embargo si es necesario que lo producen como prueba de lo que es el procedimiento? Normalmente, yo iría a través del gobierno con una Carta Internacional de la petición y solicitó a la policía para obtener esta información en un formato probatorio. Que, o bien sería enviado a mí, como un paquete o me vienen a Costa Rica y tomar la declaración a mí mismo.

La alternativa es la reserva de la libertad no tiene una oficina en el Reino Unido? Si es así podría asistir allí y tomó declaración a ellos en nombre de la reserva de la libertad?

Su ayuda ha sido inestimable

Se refiere a Frank.
